Bilateral Meetings

- Tuesday 08:00-11:00

Description

P & L Consulting was founded in September 2007 by Christodoulos Paparousis and Marios Lytsikas. The primary purpose of the company is to provide **specialized consulting services to private enterprises and public bodies** and today, it holds a dominant place in the field of Consulting Services and Research contributing to the promotion of entrepreneurship not only in the Region of Epirus but all over Greece.

Its headquarters are located in **Ioannina, Greece** and its staff consists of two agriculturalists and three economists as permanent personnel, as well as six scientific consultants as external partners.

In September 2013, the company founded the affiliate **P & L Consulting Albania**, located in **Gjirokaster**, signaling the expansion of its activities abroad. With the cooperation of specialized partners and excellent scientists, combined with its existing know-how, **P & L Consulting Albania** aspires to **exploit the investment opportunities in Albania, providing services that cover a wide range of activities**. In addition to that, following a strategy of constant expansion to new business activities, the company has began a permanent cooperation with **MMS Advertising**, one of the largest companies in the field of **advertising and marketing**.

Goals, Objectives and Principles

The main objective of the company is to provide high quality services to its clients in order to achieve their goals and fulfill their vision. The management and personnel of the company sets as their primary objective the full understanding of the needs and expectations of its clients. The company recognizes the key role of its clients' satisfaction in maintaining its competitive place. We constantly evaluate and measure our performance by meeting our clients' goals in order to ensure further development and cooperation.

Aiming at the constant improvement of our efficiency and productivity, the company is based on the following:

- **Excellent and specialized personnel**
