Description

Agency "Crystal Code Apartments", established in 2005, has fully equipped apartments of all structures and categories. The apartments are located in the most attractive tourist, shopping and business locations in the city center and in New Belgrade. Crystal Code Apartments are the ideal choice for visitors to Belgrade who want to be at the heart of the event. Our apartments have been carefully selected for your requirements to the highest standards and are the perfect alternative to expensive hotel services. Whether you are traveling business or private, apartments are the best and cheapest choice.
