

Federica Rosa

EU Project Manager

VASSALLO-DELFINO & P SRL

Bilateral Meetings

- Tuesday 08:00-11:00

Description

We are a consultancy agency specialized in local development through regional, national and EU funds. We build partnerships among stakeholders with a particular focus towards agri-food promotion and touristic development. On agri-food promotion we already built several trans-national partnerships.

Areas of Activities

Sustainable Tourism

Idea

The cultural heritage of wine

Wine has shaped the Mediterranean traditions for centuries, becoming one of the fundamental agricultural products. Wine, at the same time, is a unifying element among local cultures. Rediscover the common roots across the Adriatic Sea may become the starting point for a shared development in terms of sustainable tourism and cultural heritage.
